
Abejas Apitoxiterapia Apiterapia Apipuntura Propiedades

veneno de abeja - coapicol colombia - en 1920 se inicia en japon la acupuntura con abejas; la apipuntura. desde entonces ha continuado el desarrollo de la apitoxiterapia y en estos momentos estas son las principales afecciones tratadas con apitoxina. **la apitoxina es un potente analgésico y antiinflamatorio** - directamente las abejas al paciente para que lo piquen en la parte afectada del cuerpo, o usar inyecciones del veneno obtenido de las abejas y conservado en polvo en frascos estériles hasta que se disuelva. **apiterapia hoy en argentina y cuba - mundialsiglo21** - apiterapia lo marca sin lugar a dudas, casi como si fuera un libro cubano. desde la experiencia desde la experiencia clínica hasta la autoría de las investigaciones son mayoritariamente cubanas.
